1. As you know, the 40 Committee approved on 28 January 1971 a proposal for financial support of Chilean opposition parties for the April 1971 elections [REDACTED]. Of the \$1,240,000 approved, [REDACTED] is to be passed covertly to the National Party (PN). [REDACTED] was designated for the purchase of [REDACTED] for the purchase of the [REDACTED] for financial support of [REDACTED] for one year; and [REDACTED] for the support of PN candidates in the 4 April municipal elections. The [REDACTED] has been assigned to cover [REDACTED] operations involving support to the PN.

2. As noted in the attached memorandum to the 40 Committee, [REDACTED]

The PN is conducting a bona fide campaign to collect funds for election activities. This campaign should provide adequate cover for the electoral support [REDACTED] which will be passed clandestinely.

3. Additional funds to support the PN and other opposition parties after the April elections may be the subject
